Fundraising With Flowerbulbs

Help a Good Cause & Bring Beauty to Your Home & Neighborhood!

I want you to know that our fundraiser was a total success! Thank you so much! Not only did the boys sell a lot of bulbs and make a lot of money, but importantly, the whole thing went off without a hitch. The bulbs were easy to sell, the order was easy to place, and most importantly, the right quantities of the various bulbs we ordered all arrived on the same day.

Thanks again! We'll be back next year!
